

"THE WOMAN THOU GAVEST ME"

BY HALL CAIN

A Paramount Artercraft Special

Cast Includes Theodore Roberts, Kathrine MacDonald
Milton Sills and Jack Holt

SOLD LIKE A SLAVE

Married; The record signed. The words at the altar spoken. The world informed that this man and this woman were one until their lives should end.

And it was all a ghastly lie!

He, a wastrel, traded his name for a wife, and money to spend on his paramour.

She, a sweet innocent girl, was sold like a slave to feed her father's lust for power. Sold to a man she loathed! Yet she was glowing with youth, thirsting for love and life.

Then the inevitable—love, forbidden, came to her—wedded her in her heart to an honest man, her mate. And the world and the law cried "wanton!" and covered her with shame. In her soul she was a Madonna; to the world a Magdalene. Yet her offense was the rebellion of a pure and noble woman against a life that reeked with evil.

Was she wrong? You who believe a woman has a heart, a life of her own, judge. But before judging, see Hall Cain's mighty romance, **"THE WOMAN THOU GAVEST ME."**

As a novel, it stirred two continents. As a picture, it is a masterpiece. Pulsing with emotion, vivid with action, filled with sensational scenes.

If you have read the book, you'll surely want to see this picture. If you haven't read the book—you MUST see this picture. COME!

**Every Woman with a Heart to Love--
Every Man Who Respects a Woman,
THIS PICTURE IS FOR YOU**

These Blouses are made and sold under what might truthfully be termed the "WIRTHMOR SAVINGS PLAN" which is a more modern, advanced, direct and economical way of making and distributing Blouses through many hundreds of progressive retail stores the nation over.

One of the new Welworth Styles that just came in is illustrated; there are others here equally as attractive. New models arrive with such frequency, that you are always assured of finding Styles that are NEW and CORRECT, that will appeal to your taste as well as your purse.

New Welworth Blouses go on sale here on the same day they first appear in the Style Centers of the Country.
